

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SOUTHERN CALIFORNIA EDISON COMPANY (U 338-E) for Expedited Approval of Servicing Agreement between State of California Department of Water Resources and Southern California Edison Company Pursuant to Chapter 4 of the Statutes of 2001 (Assembly Bill 1 of the First 2000-2002 Extraordinary Session).

Application 01-06-044
(Filed June 25, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING
SHORTENING TIME TO RESPOND TO ANY APPLICATION
FOR REHEARING OF D.02-12-071**

Decision (D.) 02-12-071, the Servicing Order regarding Southern California Edison Company, was adopted by the Commission at the carry-over meeting of December 19, 2002, and mailed to the parties on December 23, 2002. The decision construed, applied, implemented, and interpreted certain provisions of Assembly Bill 1 of the Legislature's First Extraordinary Session of 2001-2002 (Stats. 2001, Ch. 4) (AB1X).

Senate Bill 31 of the First Extraordinary Session of 2001-2002 (Stats. 2001, Ch. 9) amended Pub. Util. Code § 1731, and added Pub. Util. Code § 1768. Section 1731(c) requires that as a prerequisite for filing a cause of action "in any court," an application for rehearing of a Commission decision construing, applying, or implementing the provisions of AB1X must be filed within 10 days after the date of issuance of the decision. Accordingly, applications for rehearing of D.02-12-071 are due on January 2, 2003.

Section 1731(c) also requires the Commission to “issue its decision and order on rehearing within 20 days after the filing of that application.” In order to issue decisions and orders on rehearing of D.02-12-071 within the applicable timeframe, the Commission will need to take up consideration of any applications for rehearing at its regularly scheduled meeting on January 16, 2003.

Under Rule 86.2 of the Commission’s Rules of Practice and Procedure, a response to an application for rehearing would normally be filed no later than 15 days after the day the application for rehearing is filed. Due to the expedited schedule under Public Utilities Code Section 1731(c), and so the Commission may adequately consider responses to any applications for rehearing that may be filed, the time for filing responses must be shortened. Although the Commission is not obligated to withhold a decision on an application for rehearing to allow time for a response to be filed,¹ the time for filing a response to any application for rehearing shall be shortened to January 9, 2003. Accordingly, any party planning to file a response to any application for rehearing that may be filed shall file and serve the response on or before January 9, 2003. Any response shall be served by electronic mail on those parties who have provided an e-mail address, and by first class mail or other expeditious mode of delivery to those who have not provided an e-mail address. In addition, any responses shall also be electronically served on the following Commission staff: Mary McKenzie (mfm@cpuc.ca.gov).

¹ See Rule 86.2 of the Commission’s Rules of Practice and Procedure.

Therefore, **IT IS RULED** that the time for filing a response to any applications for rehearing of Decision 02-12-071 that may be filed shall be shortened. Any party filing responses to such applications for rehearing shall file the responses on or before January 9, 2003, and shall serve the responses in the manner specified above.
